Sec. 3. - Establishment of commission.

- (a) Commissioner Districts 1, 2, 3, 4, and 5, as they exist on January 1, 2012, shall continue to be designated as Commissioner Districts 1, 2, 3, 4, and 5, respectively, but as newly described under this Act, and such members of the board serving from those former commissioner districts shall be deemed to be serving from and representing their respective districts as newly described under this Act. Commissioner Districts 6 and 7 as they exist on January 1, 2012, shall continue to be designated as Commissioner Districts 6 and 7 as described under this Act and in effect on January 1, 2012.
- (b) Those members of the Board of Commissioners of DeKalb County who are serving as such on January 1, 2012, and any person selected to fill a vacancy in any such office shall continue to serve as such members until the regular expiration of their

respective terms of office and until the election and qualification of their respective successors. The successor to each such member shall be elected as provided in this section.

- (c) The first members for new Commissioner Districts 1, 4, and 5 and the member from Commissioner District 6 shall be elected at the general election on the Tuesday next following the first Monday in November, 2012. - (d) The first members for new Commissioner Districts 2 and 3 and the member from Commissioner District 7 shall be elected at the general election on the Tuesday next following the first Monday in November, 2014. Those members of the board elected thereto from new Commissioner Districts 2 and 3 and from Commissioner District 7 in 2014 shall take office the first day of January immediately following that election and shall serve for initial terms of office which expire December 31, 2018, and upon the election and qualification of their respective successors.
- (e) Those and all future successors to members of the board whose terms of office are to expire shall be elected at the time of the state-wide general election immediately preceding the expiration of such terms, shall take office the first day of January immediately following that election, and shall serve for terms of office of four years each. Members of the board shall serve for the terms of office specified therefor in this subsection and until their respective successors are elected and qualified.

Sec. 10A. - Independent internal audit.

- (a) (1) It is essential to the proper administration and operation of the DeKalb County government that public officials, government managers, and private citizens know not only whether government funds are handled properly and in compliance with laws and regulations but also whether public programs are achieving the purposes for which they were authorized and funded, and whether they are doing so efficiently, effectively, and equitably. An independent internal audit function can provide objective information on the operations of government programs, assist managers in carrying out their responsibilities, and help ensure full transparency and accountability to the public. Internal auditing is defined as an independent, objective assurance and consulting activity designed to add value and improve an organization's operations by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes.
- (2) The public interest requires that the general assembly provide for the proper administration and operation of the DeKalb County government by establishing by law an independent internal audit function to assist the governing authority to accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes.
- (b) The office of internal audit is hereby established which shall consist of the chief audit executive ("auditor") and those assistants, employees, and personnel as deemed necessary by such auditor for the efficient and effective administration of the affairs of the office, and over whom the auditor shall have the sole authority to appoint, employ, and remove.
- (c)

The office of internal audit shall be completely independent and shall not be subject to control or supervision by the chief executive, the commission, or any other official, employee, department, or agency of the county government.

- (d) The auditor shall be appointed by a majority vote of the DeKalb County Board of Commissioners from a list of not fewer than two (2) nor more than three (3) candidates provided to the board by the audit oversight committee. Such appointment shall be made within thirty (30) days of receipt of the list of nominees by the board. In the event that the commission fails to appoint a nominee within thirty (30) days, the auditor shall be appointed by a majority vote of the audit oversight committee.
- (d) The term of office of the auditor shall be five (5) years and until his or her successor is qualified and appointed. The auditor shall be limited to a maximum of two (2) terms in office. A vacancy in the position of auditor shall exist by reason of expiration of term, resignation, death, removal from office by the vote of a supermajority of the members of the commission, or if the auditor becomes ineligible to hold civil office within the meaning of O.C.G.A. § 45-2-1 and that ineligibility is established by decision of a court of competent jurisdiction which declares the office vacant because of such ineligibility. A vacancy shall be filled within sixty (60) days by a majority vote of the audit oversight committee for the remainder of the term of office.
- (e) The auditor must have adequate professional proficiency for the job and shall:
 - (1) Be a certified public accountant or a certified internal auditor;
 - (2) Have a bachelor's degree in public policy, accounting, business administration, economics, or a related field; and
 - (3) Have at least five (5) years of experience in government auditing, evaluation, or analysis.
- (f) The position of the auditor shall be nonpartisan. Qualifying for election to a public office shall constitute a resignation from the position as of the date of qualifying.
- (g) The auditor shall have authority to conduct financial and performance audits of all departments, offices, boards, activities, agencies, and programs of the county in order to independently and objectively determine whether:
 - (1)

Activities and programs being implemented have been authorized by this Act, Georgia law, or applicable federal law or regulations and are being conducted and funds expended in compliance with applicable laws;

- (2) The department, office, board, or agency is acquiring, managing, protecting, and using its resources, including public funds, personnel, property, equipment, and space, economically, efficiently, effectively, and in a manner consistent with the objectives intended by the authorizing entity or enabling legislation;
 - (3) The entity, programs, activities, functions, or policies are effective, including the identification of any causes of inefficiencies or uneconomical practices;
 - (4) The desired results or benefits are being achieved;
 - (5) Financial and other reports are being provided that disclose fairly, accurately, and fully all information required by law, to ascertain the nature and scope of programs and activities, and to establish a proper basis for evaluating the programs and activities including the collection of, accounting for, and depositing of, revenues and other resources;
 - (6) Management has established adequate operating and administrative procedures and practices, systems or accounting internal control systems, and internal management controls; and
 - (7) Indications of fraud, abuse, or illegal acts are valid and need further investigation.
- (h) All officers and employees of DeKalb County shall furnish to the auditor unrestricted access to employees, information, and records including electronic data within their custody regarding powers, duties, activities, organization, property, financial transactions, contracts, and methods of business required to conduct an audit or otherwise perform audit duties. In addition, they shall provide access for the auditor to inspect all property, equipment, and facilities within their custody. If such officers or employees fail to provide or produce such access and information, the auditor may initiate a search to be made and exhibits to be taken from any book, paper, or record of any such official or employee or outside contractor or subcontractor, except as governed by statute. Further, all contracts with outside contractors and subcontractors shall contain a "right-to-audit" clause and provide for auditor access to the contractors' employees and to all financial and performance related records, property, and equipment purchased in whole or

in part with governmental funds. For the purpose of this subsection, the auditor shall have the authority to issue subpoenas and may apply to the Superior Court of DeKalb County for the enforcement of any subpoena issued by the auditor.

- (i) The auditor may obtain the services of certified public accountants, qualified management consultants, or other professional experts necessary to perform audit work. An audit that is performed by contract must be conducted by persons who have no financial interests in the affairs of the governmental entity or its officers. The auditor shall coordinate and monitor auditing performed by certified public accounting firms or other organizations employed under contract by the governing authority to assist with audit related activities. Contracting for the external audit will follow the normal contracting processes of the governing authority of DeKalb County except for the participation and oversight by the audit oversight committee and auditor. The selection of a certified public accounting firm for the annual financial audit must be approved by the commission.
- (j)
 - (1) Audits shall be conducted in accordance with recognized government auditing standards.
 - (2) At the beginning of each fiscal year, the auditor shall submit a one- to five-year audit schedule to the audit oversight committee and the commission for review and comment. The schedule shall include the proposed plan, and the rationale for the selections, for auditing departments, offices, boards, activities, programs, policies, contractors, subcontractors, and agencies for the period. This schedule may be amended after review with the audit oversight committee and the commission, but the auditor shall have final authority to select the audits planned.
 - (3) In the selection of audit areas and audit objectives, the determination of audit scope and the timing of audit work, the auditor shall consult with federal and state auditors and external auditors so that the desirable audit coverage is provided and audit efforts are properly coordinated.

The agency shall respond in writing, specifying the agreement with audit findings and recommendations or reasons for disagreement with findings and recommendations, plans for implementing solutions to issues identified, and

a timetable to complete such activities. The response shall be forwarded to the auditor within sixty (60) days. The auditor shall review and report on information included in the agency's response. If no response is received, the auditor shall note that fact in the transmittal letter and shall release the audit report.

- (5) Each audit shall result in a final report, in written or some other retrievable form. The report shall contain relevant background information and findings and recommendations and shall communicate results to the audit oversight committee, the audited agency, and the governing authority.
- (6) The auditor shall submit an annual report to the audit oversight committee, chief executive, and the commission indicating audits completed, major findings, corrective actions taken by administrative managers, and significant issues which have not been fully addressed by management. The annual report, in written or some other retrievable form, shall be made available to the public through the county website within ten (10) days of submission to the commission.
- (k) If, during an audit, the auditor becomes aware of abuse or illegal acts or indications of such acts that could affect the governmental entity, the auditor shall report the irregularities to the audit oversight committee, the chief executive, and the commission. If a member of the governing authority is believed to be a party to abuse or illegal acts, the auditor shall report the acts directly to the audit oversight committee, the chief executive, and the commission. If it appears that the irregularity is criminal in nature, the auditor shall notify the district attorney in addition to those officials previously identified in this subsection.
- (l) The auditor shall follow up on audit recommendations to determine if corrective action has been taken. The auditor shall request periodic status reports from audited agencies regarding actions taken to address reported deficiencies and audit recommendations.
- (m) (1) The audit activities of the office of internal audit shall be subject to a peer review in accordance with applicable government auditing standards by a professional, nonpartisan objective group utilizing guidelines endorsed by the Association of Local Government Auditors (ALGA).
- (2)

The peer review shall use applicable government auditing standards to evaluate the quality of audit effort and reporting. Specific quality review areas shall include staff qualifications, adequacy of planning and supervision, sufficiency of work paper preparation and evidence, and the adequacy of systems for reviewing internal controls, fraud and abuse, program compliance, and automated systems. The peer review shall also assess the content, presentation, form, timelines, and distribution of audit reports. The commission shall pay for the costs of the peer review.

A vacancy on the audit oversight committee shall exist by reason of death, resignation, incapacity to serve for ninety (90) days or longer, or loss of residency as described in this subsection. A member of the audit oversight committee may also be removed from office during a term if the member becomes ineligible to hold civil office within the meaning of O.C.G.A. § 45-2-1 and that ineligibility is established by decision of a court of competent jurisdiction which declares the office vacant because of such ineligibility or by a vote of two-thirds (2/3) of the members of the legislative delegation. A vacancy shall be filled within sixty (60) days by the original appointing authority for the remainder of the unexpired term.

These expenditures shall not include disbursements for new personnel, new services, new equipment, or other items which could be interpreted as providing additional level of service not previously authorized.

No expenditure of county funds shall be made except in accordance with the county budget, or amendments thereto, adopted by the Commission. The chief executive shall enforce compliance with this requirement by all departments, offices, or agencies of the county government, including elected county officers, with the exception of the tax commissioner, clerk of the superior court, district attorney, and sheriff.

Sec. 22A. - Code of ethics.

(a) *Purpose.*

(1)

It is essential to the proper administration and operation of the DeKalb County government that its officials and employees be, and give the appearance of being, independent and impartial, that public office not be used for private gain, and that there be public confidence in the integrity of DeKalb County officials and employees. Because the attainment of one (1) or more of these ends is impaired whenever there exists in fact, or appears to exist, a conflict between the private interests and public responsibilities of officials and employees, the public interest requires that the general assembly protect against such conflicts of interest by establishing by law appropriate ethical standards with respect to the conduct of the officials and employees of DeKalb County in situations where a conflict may exist.

- (2) The general assembly recognizes that an appropriate and effective code of ethics for appointed officials and employees of DeKalb County is also essential for the proper administration and operation of the DeKalb County government.

- (6) *Immediate family* means an official or employee and his or her spouse, parents, brothers, sisters, and natural or adopted children.
- (7) *Interest* means any direct or indirect pecuniary or material benefit held by or accruing to the official or employee as a result of a contract or transaction which is or may be the subject of an official act or action by or with DeKalb County. - (3) If a member of the board of ethics ceases to be a resident of DeKalb County, that member's position on the board of ethics, by operation of law, shall become vacant upon the establishment of the fact of such nonresidency, if contested, by a court of competent jurisdiction. A vacancy in the board of ethics shall exist by reason of death, the disability or incapacity of a member for more than ninety (90) days, resignation, or loss of residency as described in this paragraph. A member of the board of ethics may be removed from office during a term if the member becomes ineligible to hold civil office within the meaning of O.C.G.A. § 45-2-1 and that ineligibility is established by decision of a court of competent jurisdiction which declares the office vacant because of such ineligibility or for good cause by a majority vote of the board of ethics. The ethics officer shall notify the appointing authority of a vacancy upon its occurrence, and such vacancy shall be filled for the unexpired term by the respective appointing authority.

- (4) The members of the board of ethics shall serve without compensation and shall elect from their own membership a chairperson and otherwise provide for their own internal organization. The commission shall provide adequate office and meeting space and pay all administrative costs, including those specifically stipulated in this section, pertaining to the operation of the board of ethics. The board of ethics shall be authorized to employ its own staff and clerical personnel and contract for the services of a competent court reporter, an attorney, and a private investigator as it deems necessary. The members of the board of ethics shall have the authority to propose the budget of the board and shall recommend the budget to the commission, who shall fund it as a priority. In the event that the proposed budget is in excess of three hundred thousand dollars (\$300,000.00), the commission shall have the authority to authorize the additional funds requested in accordance with standard budgetary procedures and requirements. The board of ethics shall be completely independent and shall not be subject to control or supervision by the chief executive, the commission, or any other official or employee or agency of the county government.
- (5) The board of ethics shall have the following duties:
- a. To establish procedures, rules, and regulations governing its internal organization and the conduct of its affairs;
 - b. To render advisory opinions with respect to the interpretation and application of this section to all officials or employees who seek advice as to whether a particular course of conduct would constitute a violation of the standards imposed in this section or other applicable ethical standards. Such opinions shall be binding on the board of ethics in any subsequent complaint concerning the official or employee who sought the opinion and acted in good faith, unless material facts were omitted or misstated in the request for the advisory opinion;
 - c. To prescribe forms for the disclosures required in this section and to make available to the public the information disclosed as provided in this section;
 - d. To receive and hear complaints of violations of the standards required by this section over which it has personal and subject matter jurisdiction;

- e. To make such investigations as it deems necessary to determine whether any official or employee has violated or is about to violate any provisions of this section; and
- f. To hold such hearings and make such inquiries as it deems necessary for it to carry out properly its functions and powers.

Removal of the ethics officer before the expiration of the designated term shall be for cause by a majority vote of the members of the board of ethics. The ethics officer need not be a resident of the county at the time of his or her appointment, but he or she shall reside in DeKalb County within six (6) months of such appointment and continue to reside therein throughout such appointment.
- (2) The ethics officer shall not be involved in partisan or nonpartisan political activities or the political affairs of DeKalb County.
- (3) The duties of the ethics officer shall include, but not be limited to, the following:

 - b. Maintaining the records of the board of ethics as required by Article 4 of Chapter 18 of Title 50 of the O.C.G.A.;
 - c. Meeting with the board of ethics;
 - d. Advising officials and employees regarding disclosure statements and reviewing the same to ensure full and complete financial reporting;
 - e.

Urging compliance with the code of ethics by calling to the attention of the board of ethics any failure to comply or any issues, including the furnishing of false or misleading information, that the ethics officer believes should be investigated by the board of ethics so that the board of ethics may take such action as it deems appropriate;

- f. Monitoring, evaluating, and acting upon information obtained from an "ethics hotline" which shall be a city telephone number for the receipt of information about ethical violations. Each complaint, as of the time it is reported, whether by telephone or otherwise, shall be deemed to be a separate pending investigation of a complaint against a public officer or employee as provided by Article 4 of Chapter 18 of Title 50 of the O.C.G.A.;
 - g. Notifying the subject of a report of any alleged violation of the ethics code, whether the report is anonymous, made by an identified individual, or is written.  - h. Notifying the board of ethics of any report of an alleged violation of the ethics code received by the ethics officer;
 - i. Reporting, as appropriate, suspected ethical violations to the board of ethics;
 - j. Reporting, as appropriate, suspected criminal violations to state or federal law enforcement agencies; and
 - k. Filing with the board of ethics, the chief executive, and the commission on the first Tuesday of each February a written report describing the activities of the ethics officer in carrying out the goals of his or her office and the code of ethics and reporting on the ethical health of DeKalb County.
- (j) *Investigations and hearings.* The board of ethics shall conduct investigations into alleged violations of the code of ethics, hold hearings, and issue decisions as prescribed in this subsection:
- (1) The proceedings and records of the board of ethics shall be open unless otherwise permitted by state law.

- (2) Upon request of the board of ethics, the solicitor of DeKalb County or any attorney representing the office of the solicitor of DeKalb County, or in the event of a conflict any attorney who shall be selected by a majority vote of the board of ethics, shall advise the board of ethics.
- (3) A complaint may be filed by the ethics officer, any resident, or a group of residents of DeKalb County by submitting to the office of the ethics officer a written, verified, and sworn complaint under the penalty of perjury or false swearing. The complaint shall specifically identify all provisions of the DeKalb County code of ethics which the subject of the complaint is alleged to have violated, set forth facts as would be admissible in evidence in a court proceeding, and show affirmatively that the complainant or affiant (if in addition to or different from the complainant) is competent to testify to the matter set forth therein. All documents referenced in the complaint as well as supporting affidavits shall be attached to the complaint.
- (4) Upon receipt of the complaint, the ethics officer shall conduct a preliminary investigation to determine whether it meets the jurisdictional requirements as set forth in this section. If in the opinion of the ethics officer the complaint fails to meet these requirements, the ethics officer shall notify the person who filed the complaint and he or she shall have ten (10) days from the date of notice to correct and refile the complaint directly with the ethics officer. A complaint which fails to satisfy the jurisdictional requirements as established by this section and by the rules and procedures established by the board of ethics shall be dismissed by the board of ethics no later than thirty (30) days after the complaint is filed with the office of the ethics officer, unless extended by a majority vote of the board of ethics.
- (5) The ethics officer will report his or her findings and recommendation to the board of ethics and advise whether there is probable cause for belief that the code of ethics has been violated, warranting a formal hearing. If the board of ethics determines, after the preliminary investigation of a complaint by the ethics officer, that there does not exist probable cause for belief that this section has been violated, the board of ethics shall so notify the complainant and the subject of the investigation, and the complaint will be dismissed. If the board of ethics determines, after a preliminary investigation of the complaint by the ethics officer, that there does exist probable cause for belief

that this section has been violated, the board of ethics shall give notice to the person involved to attend a hearing to determine whether there has been a violation of this section.

- (6) For use in proceedings under this section, the board of ethics shall have the power to issue subpoenas to compel any person to appear, give sworn testimony, or produce documentary or other evidence. Any person who fails to respond to such subpoenas may be subjected to the penalties set forth in subsection (k) of this section.
 - (7) All hearings of the board of ethics pursuant to this section shall be as follows:
 - a. All testimony shall be under oath, which shall be administered by a member of the board of ethics. Any person who appears before the board of ethics shall have all of the due process rights, privileges, and responsibilities of a witness appearing before the courts of this state. Any person whose name is mentioned during a proceeding of the board of ethics and who may be adversely affected thereby may appear personally before the board of ethics on such person's own behalf or may file a written sworn statement for incorporation into the record to be made part of all proceedings pursuant to this subsection.

Nothing in this section shall be interpreted to conflict with state law. An action for violation of this section or the furnishing of false or misleading information or the failure to comply with a subpoena issued by the board of ethics must be brought within two (2) years after the violation is discovered.
- (2) With regard to violations by persons other than officials or employees, in addition to the remedies in paragraph (1) of this subsection, the board of ethics may recommend to the chief executive and the commission any one or more of the following:
